School Counseling Professionals are leaders who promote educational success for all students by developing and managing school counseling programming related to academic, career, social, and emotional growth. School Counseling Professionals use facilitative, consultative, and collaborative leadership skills to provide a certainty of educational opportunities for all students.

Personal Goal:

As a counselor, a major goal is to create a positive and safe school climate. This is necessary for student learning to be at its best. Therefore, a personal goal of mine is to use research-based programs to increase career awareness and to decrease bullying, harassment, drug use, and suicidal thoughts and attempts by students in XYZ Middle School.

How does this goal relate to the Indiana Academic Standards? (See <http://www.doe.state.in.us/standards/welcome.html> for these student standards.) List (a) the Academic Standards #s and text that apply, and (b) what the anticipated effect(s) on student learning would be. \*OR Your School Services Student-Centered Standards.

My personal goal addresses the Indiana Gold Star Standards:

6-8.2.1 Reexamine their career interests based on their experiences and/or updated career interest inventory.

6-8.2.2 Use personal, print, electronic resources to discover occupations that match their career interests.

6-8.5.7 Research specific occupations identified in their career plans.

6-8.3.3 Discuss responsibility for reporting bullying incidents to an adult.

6-8.3.5 Describe how assertiveness can be used to help prevent bullying.

6-8.3.7 Describe typical adolescent challenges and successful methods for addressing them.

6-8.3.9 Describe typical adolescent problems and successful methods for addressing them.

Does this goal relate to your school services context? ☒ Yes ☐ No Explain your answer.

This personal goal supports student learning, community collaboration, and parent involvement as indicated in the XYZ Middle School improvement plan.
